Each year T.H.S. has added new things. In the year 1966-1967 among the new were: the "Little Theater," new football lights, Journalism class, stocking caps, pierced ears, the Junior Play, the G.A.A. initiate outfits, an-as-yet-unfinished greenhouse, and the format of *Senior Echoes*. As the readers look backward in looking forward it is to be hoped that all are able to rekindle happy thoughts and re-echo happy sounds.

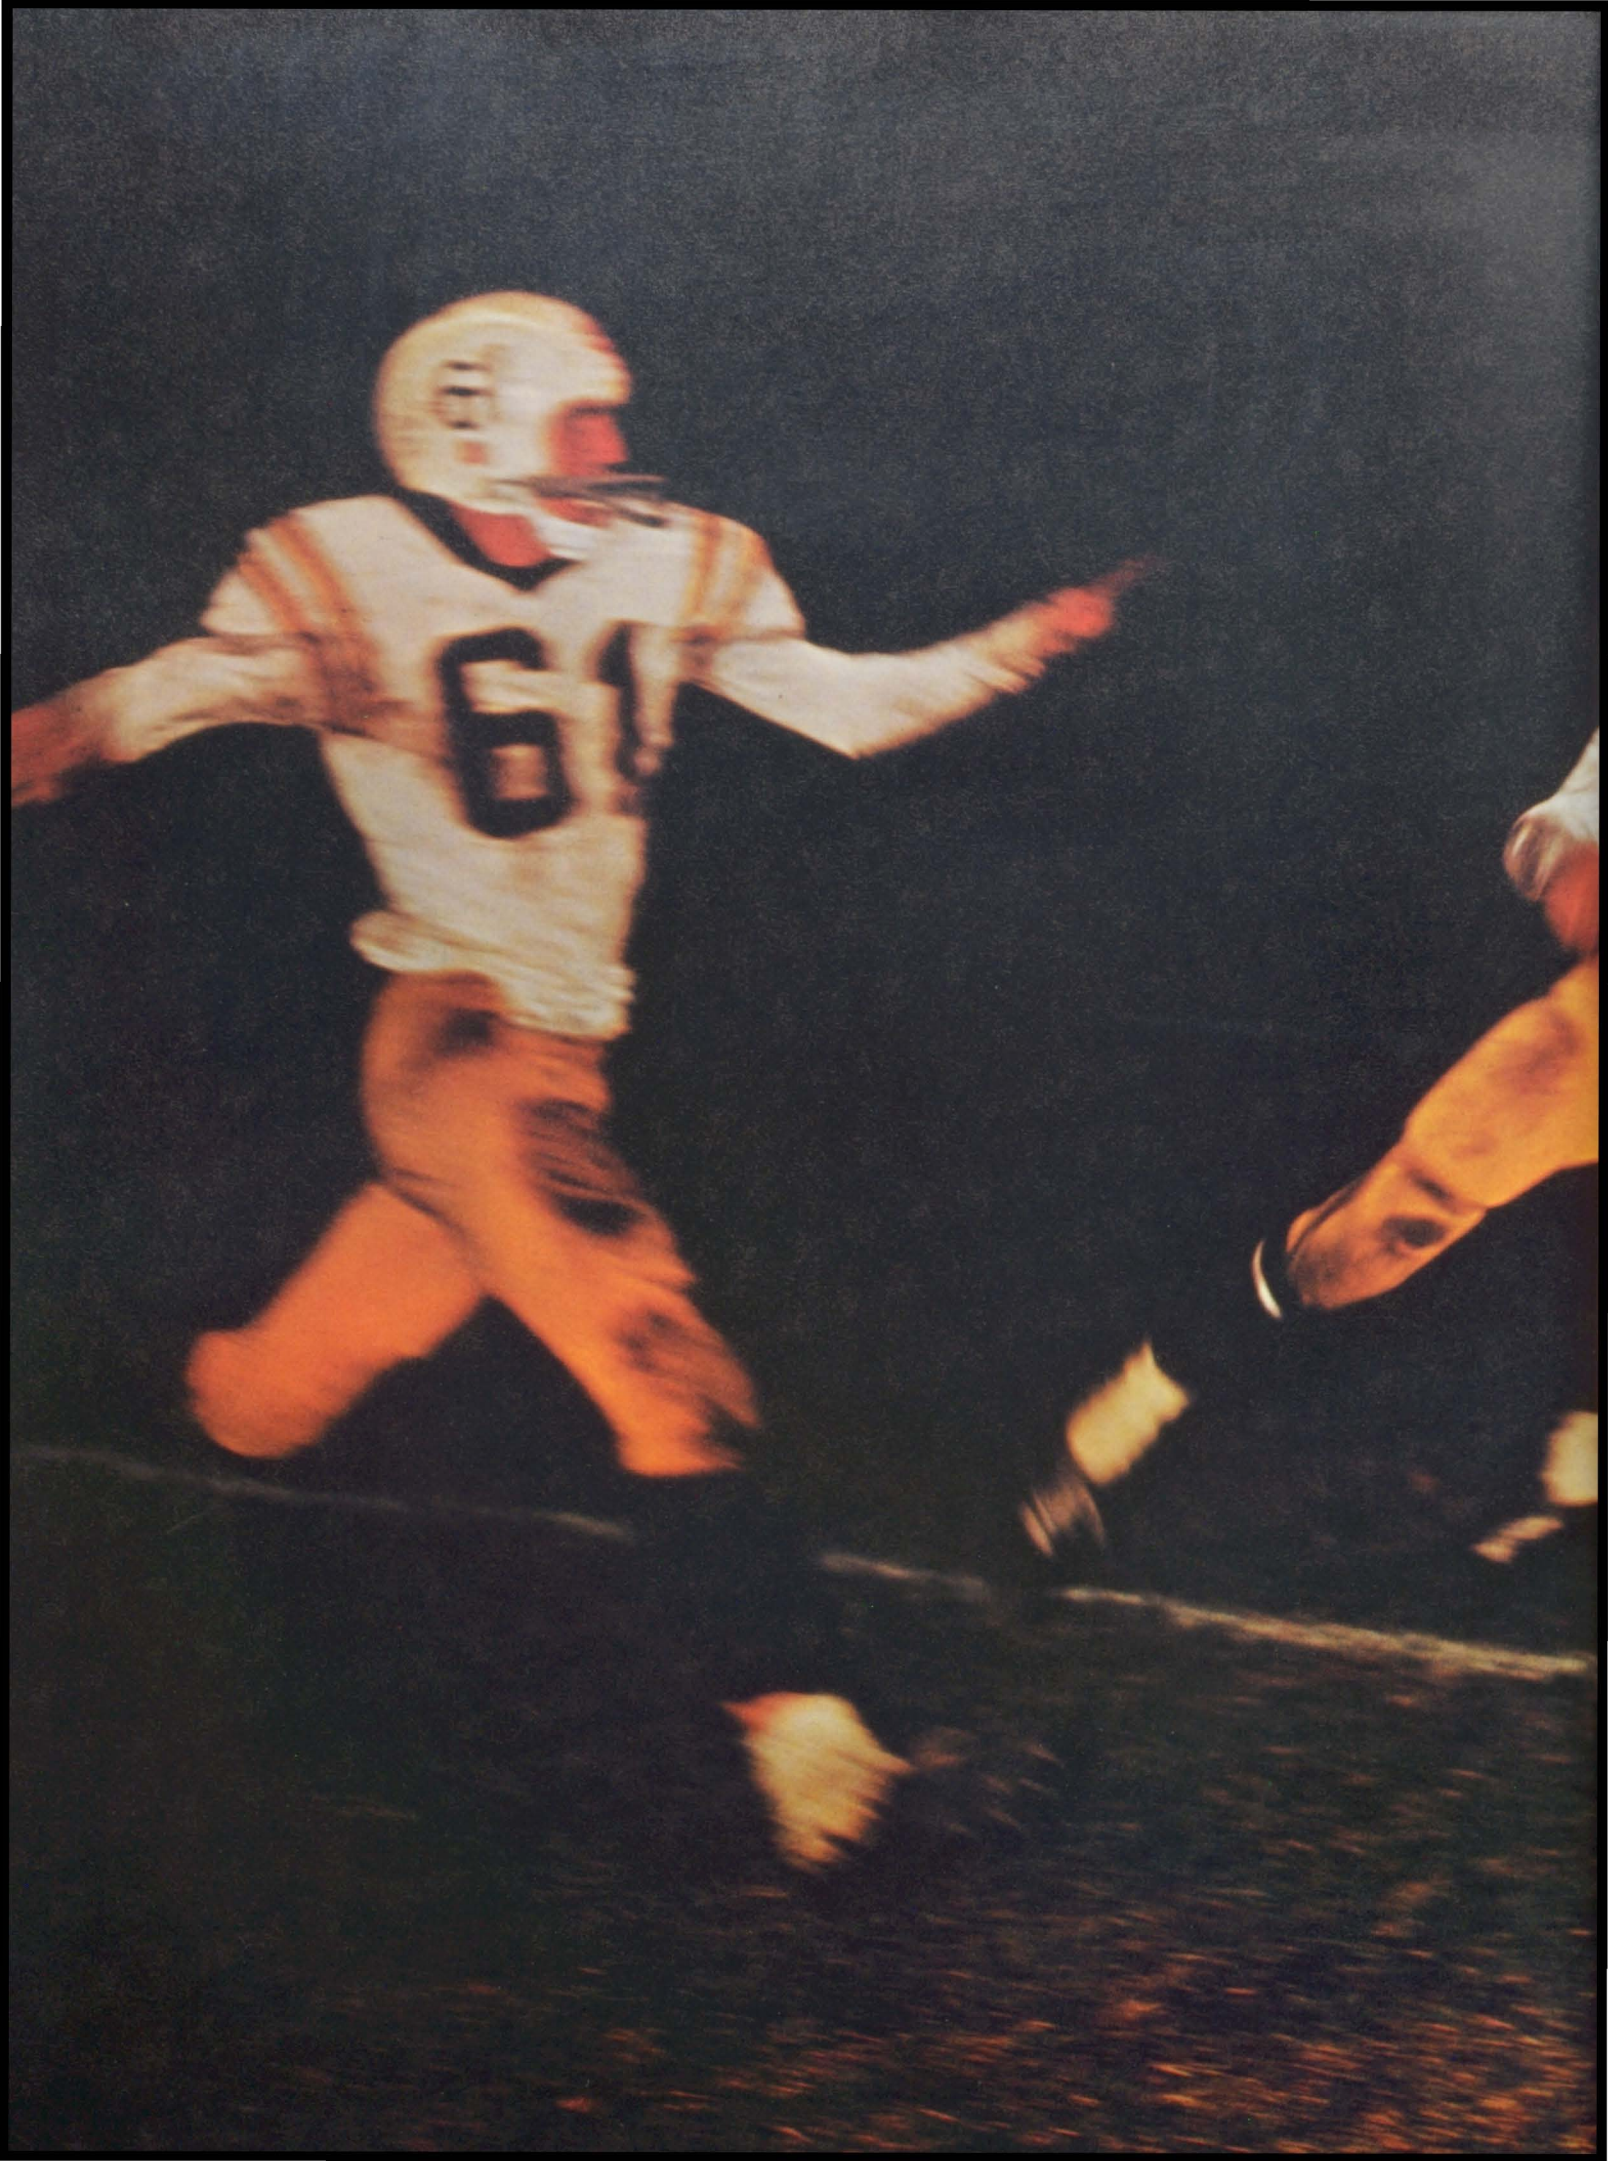
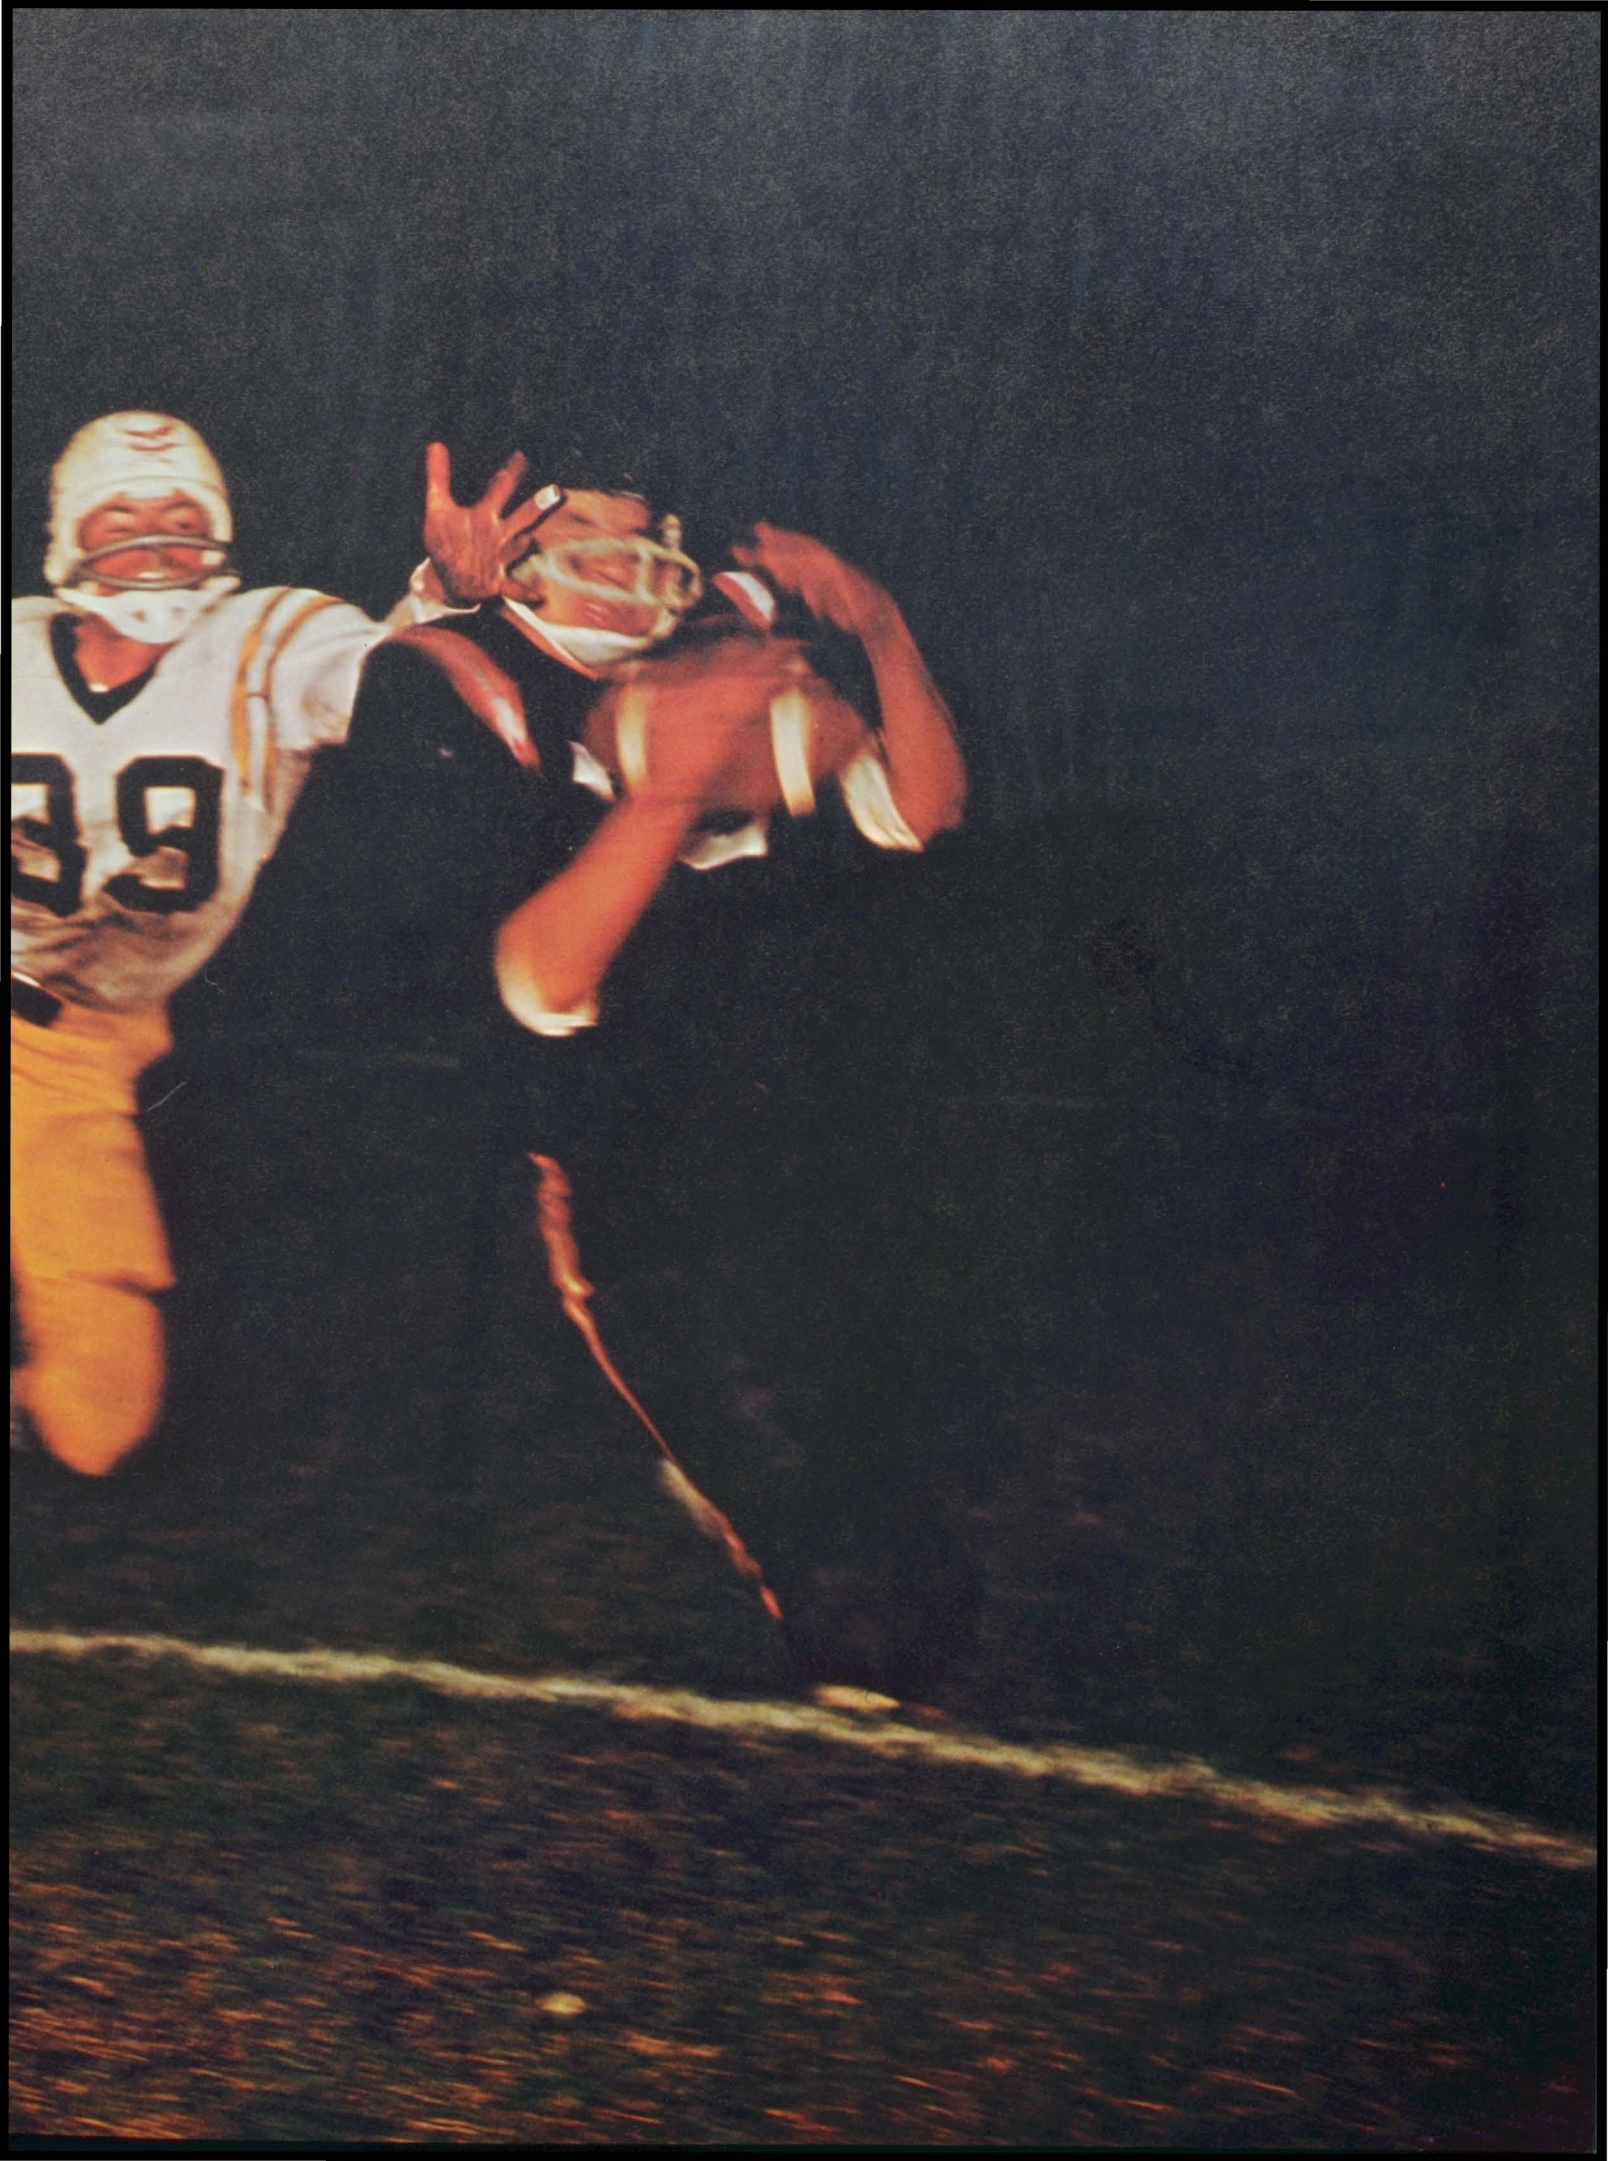
POPEX





Twice a year the students at Tecumseh High could be heard in choruses of anguish. The times—exams. The cries—

"I didn't study ANY of the right things."

"I've never taken a harder exam."

"College Prep was so easy I was ashamed to take it. Yeah."

Sometimes the "smart guy" said, "Boy, was that ever easy." The aggravation of it was you couldn't tell whether he were being honest or facetious.

But then there was no time for worrying about that for we had to find our seats—south side, even chairs—because we heard the cry, "Exam is about to begin!"

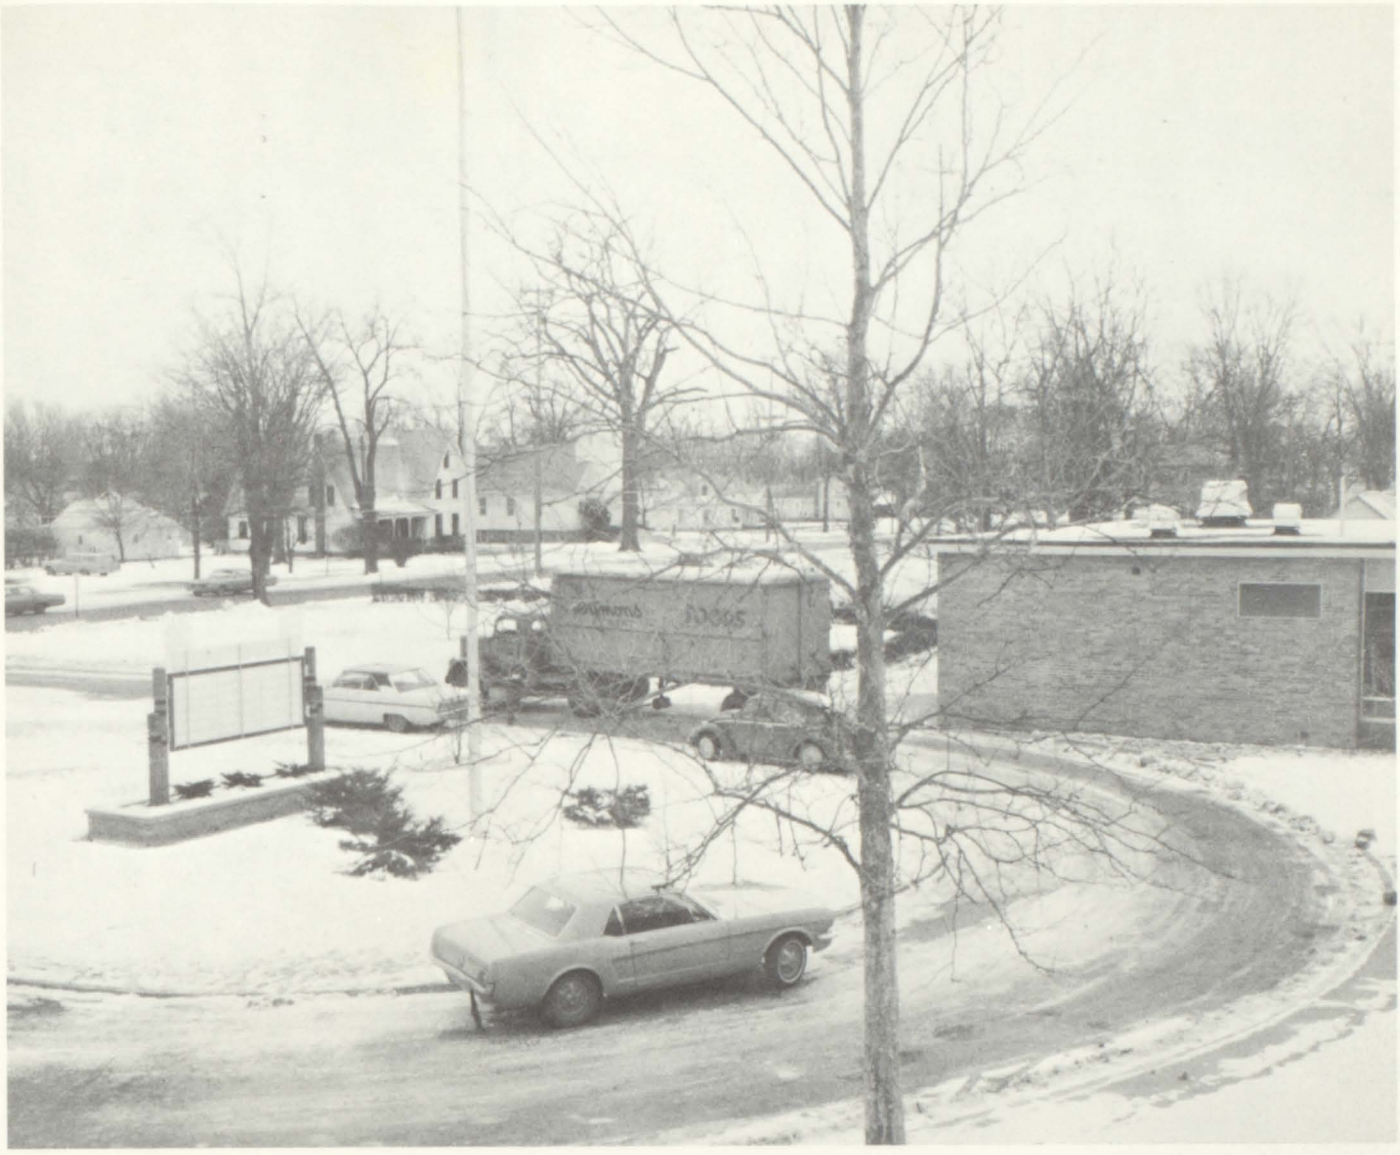
The stories these places have to tell would not be believed except that we were all part of them and know them to be true. Listen! "Remember when . . . ."



1966-1967 was the "Year of the Big Snows," or as WJR, WABJ, and WLEN-FM were heard to say so many times, "Tecumseh will have no school today."

Rare is the student, too, who cannot even now remember all the evil mutters caused by the ice layer that lasted from January to March!

The first words we heard as underclassmen were, "No short skirts. Knobby knees are the ugliest part of the human anatomy.

"As for the boys. They will look like boys. No ducktails, no pineapples, no exotic hairdos.

"The next four years are yours to do with as you please. Make the most of them. Welcome to Tecumseh High, the best high school in the county!"

We listened on that hot September afternoon, but from then on the halls of T.H.S. echoed and re-echoed with the many things that we had to say. Many of the conversations drifted into the air never to be heard or thought of again. But, some lingered on and we still hear them.

"You got her—ugh."

"Amo, amas, amat, amant. This Latin is fun."

"Oh, this Chemistry is killing me!"

"What teacher did you get? Oh. I pity you."

"Our class is better. 1, 2, 3, 4, who you going to yell for? Sophomores, that's who!"

"And then I said. . . ."

"Did you bring your driver's permit note? Three day suspension, remember."

"Creamed tuna? Again?"

"Oh, those Freshmen!"

"I'll be grounded for a month when my folks see the grade she gave me."

"Merry Christmas!"

"Exams. Will I ever get through?"

"Want to buy a magazine?"

"Have a good vacation. See you in drivers' training class."

These were the persons we could gripe to when things went wrong.

CLASS ADVISORS

It is the rare person who can not, even now, recall the plaintive cry, "Mr. Raeburn! The popcorn popper does not work!"

And who can forget, "Guess we showed those smart aleck Seniors that we could beat their quota, Mr. Burns."

And then there was, "We should have won the Homecoming Float contest. Everyone knows that, Mr. Graham, except the Juniors and the judges."

Follow this up with "Just wait until next year. We'll show them, Mr. Hale."

As you can see the advisors were our sounding boards. Thanks ever so much sirs.

Known by all—

THE GUIDANCE PERSONNEL

The members of the Guidance Department were always ready to lend a helping hand. Whether it was a schedule change, advice as to which college was best for you, or just an informal chat, Mrs. Hendricks, Mr. Benham, and Mr. Pobuda were always there. They truly echoed the feeling of assistance.

AN INDIAN PEP RALLY!

The Junior year heralds many exciting and new echoes. There are new responsibilities such as the magazine sales and new thrills such as the Junior-Senior Prom and Picnic. Preparing for these events also entails much work and planning. All in all, the echoes of the Junior year are pleasant indeed.

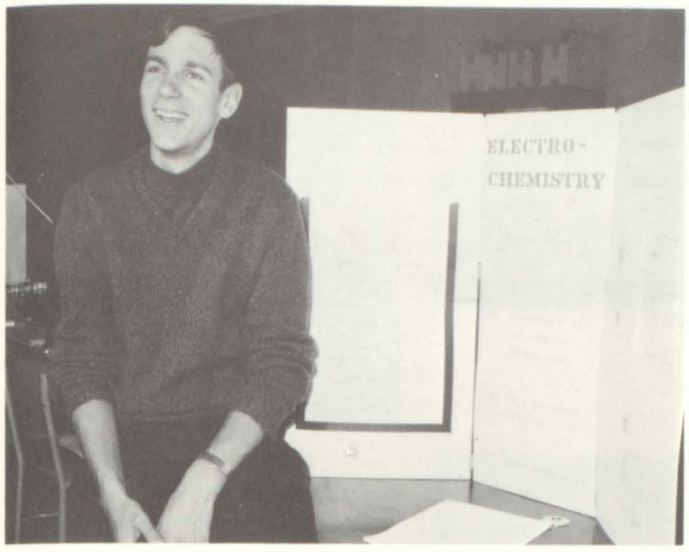
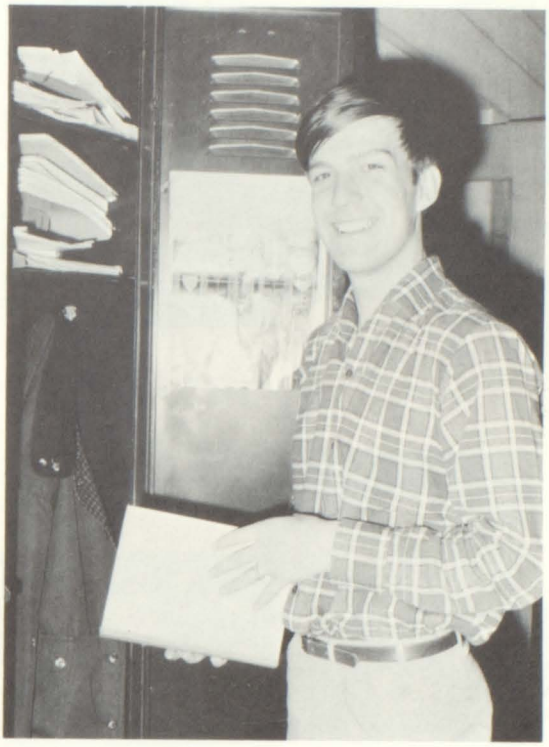
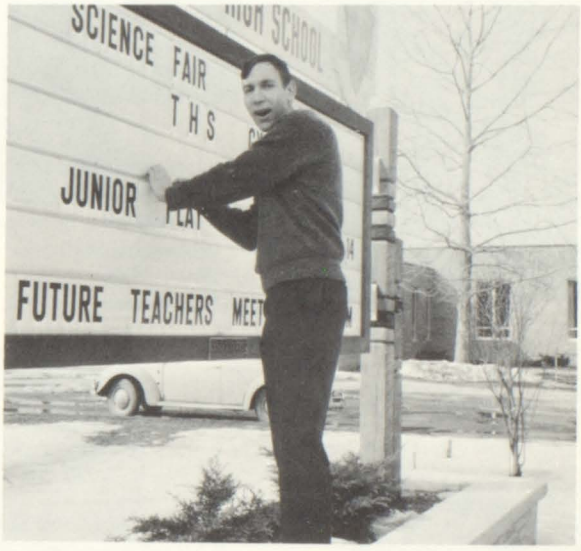
T.H.S. EXCHANGE STUDENTS







Meet Burckhardt Ruffer and Uwe Zesche, our German Exchange students. They arrived in August 1966 and will leave in July 1967. As you can see both of them are active students at T.H.S. Each of them earned more money towards the Senior Trip than did many of the four year Seniors. Both the N.H.S. and the Teen Club made them honorary members, and they served on the Student Council.

We hope, in parting, that they shall return "home" to visit us sometime in the near future, for their stay was a most pleasurable one in so far as all of us are concerned.

STUDENT COUNCIL

STUDENT COUNCIL OFFICERS: Treasurer Henry Mensing, Vice-President Jim Mobley, President Kathy Hall, Secretary Jane McConnell.

The aim of the Student Council has been to make the organization more dynamic and progressive. To this end, the group helped establish a Lenawee County Student Council by serving as host for the organizational meeting in February 1967; brought two Exchange Students, Uwe Zesche and Burckhardt Rüffer, to Tecumseh, and finalized the announcement board initiated by the 1966 Council. And few will forget the echoed cries regarding the new constitution which the 1967 Council submitted to the student body. In this latter area the members of our student government found a dynamic consituency ready and willing to help promote a dynamic government.

NATIONAL HONOR SOCIETY

"Please, buy a box of UNICEF Christmas Cards to help the children of the world," was the worthy request of the N.H.S. at Christmas Time 1966.

The theme of the groups' work might well have been "International Understanding," for in addition to the sales project they inducted two German Exchange Students, Mr. Burckhardt Ruffer and Mr. Uwe Zesche, as honorary members of the Society. It was also their pleasure to have Mr. Arthur Collingsworth show slides of his world trip.

Under the capable guidance of Mr. Mark Renfro the N.H.S. has truly been a group to which it is an honor to belong.

The Varsity Club honors those boys showing athletic superiority. Each member must have earned a Varsity Letter before being eligible for admittance. Candidates from all sports—baseball, basketball, football, golf, track, and the 1966 addition, Cross Country. The sounds we remembered as reverberating through the halls from these fine young men were: "Oink, Oink, I am a pig."

"Peter Cottontail goes hopping down the bunny trail."

"Sold! Bob Perez for $2.65."

In case you have forgotten the Initiation, you probably remember hearing, "Want to buy a program?" for every Friday at basketball games one of the Varsity asked us all this question.

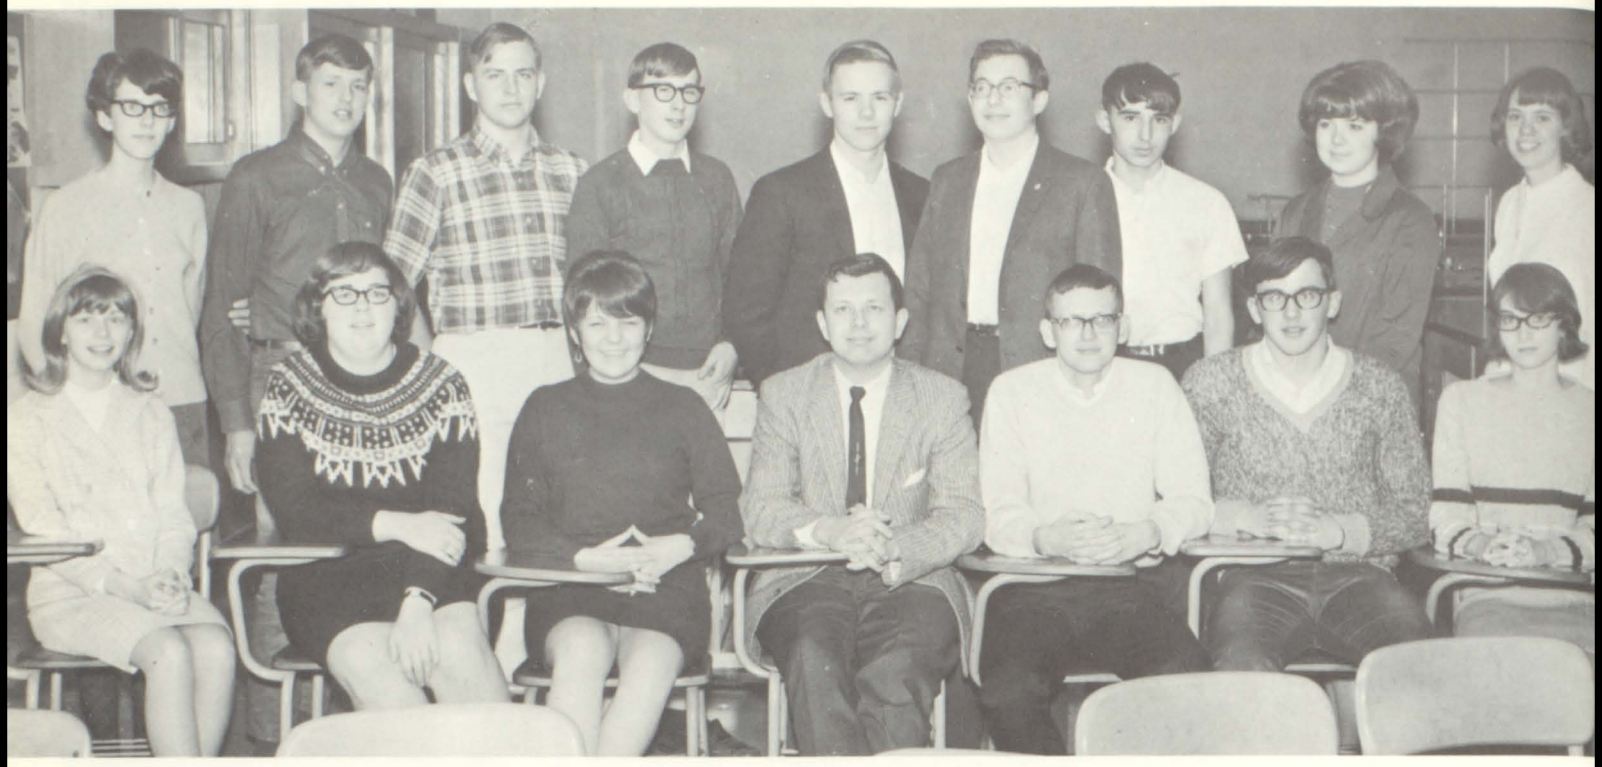
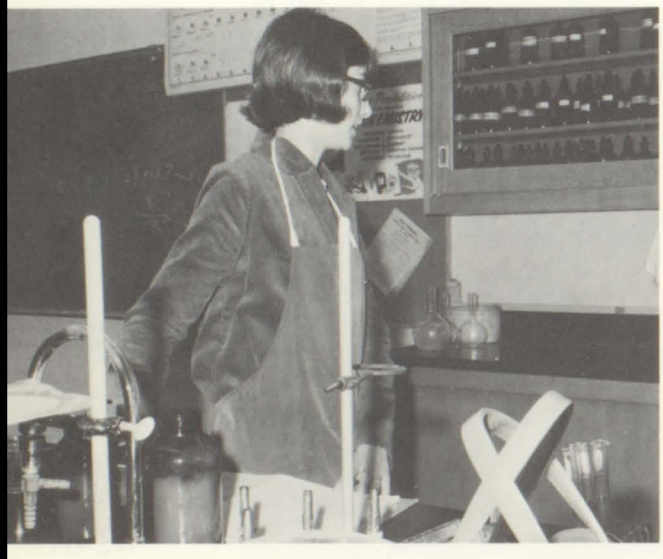
THE CHESS CLUB

A love of chess and a desire to learn more about the intricacies of the game led to the formation of the Chess Club. The Club is not one of the chartered and definitely is not one of the larger, but these things did not deter the pride and satisfaction each member felt when he could say to another, "Checkmate."



Top Row: K. McCrate, L. Schlegel, B. Belcher, J. Pence, R. Skinner, M. Kemp, B. Moll, N. Clute, C. Christman. Bottom Row: S. Allen; C. House, S.C.; V. Manley, Pres.; Mr. Kalom, Advisor; F. Choske, V.P.; B. Daniels, Treas.; L. Steadley.



Each year the Science Club has undertaken the project of a Spring Science Fair. All fund raising, annually, has been aimed toward this Fair. The results—bigger and better fairs with each successive year. In 1967, both our former United States Representative, Mr. Wes Vivian, and our present United States Congressman, Representative Marvin Esch, were on hand to help us in conducting a most profitable and worthwhile fair. And after this fair, as after all the others, fond memories lingered with us to echo through the future.

FUTURE TEACHERS

Future Teachers has always strived to prepare the members of the club as useful future participants in the teaching field. Each member had the opportunity to participate in a cadet teaching program at an elementary school or in the junior high.

"May I help?" probably echoed and re-echoed down the halls hundreds of times for they served as guides for Parent's Open House, College Night, and Trade and Tech Night.

F.F.A.

The F.F.A. was one of the most active groups at T.H.S. Not only did they farm acreage owned by the organization, but they also provided the food for their annual banquet from their own chicken flock. The goal of the group has been to turn out successful and productive future farmers, and they seem to have reached this goal. Indeed, more echoes than those of chickens resounded from this group.

Boys' and Girls' State was a unique experience for all. For one hectic week the boys met in Lansing and the girls met in Ann Arbor to set up a model government. Action progressed from city elections to county elections to state elections. The climax of the week long campaigning was the election of the offices of: Governor, Lt. Governor, Secretary of State, and Supreme Court Justices. Wonderful echoes of noise, confusion, and lasting friendships are remembered by all those who attended.

FUTURE NURSES

"We will help you," is often heard when the Future Nurses are near.

Many serve as Candy Stripers at Herrick Memorial Hospital where their cheery smiles, friendly "hellos," and helping hands are welcomed by staff and patients alike.

When Mrs. Bauer called upon them to help with TB testing this year, their reply was, "Gladly."

And the Homecoming Dance Floor took on a bit of magic as these girls directed the final decorating.

For activity, helpfulness, and versatility the Future Nurses are "the greatest."

ANNUAL STAFF

Although not pictured, Phil Browne and Phil VanValkenburg did help us by selling ads. Tom worked with the junior pictures, while Debbie, Ginny, and Rick typed, pasted, edited, drew, cut, erased, and quite frequently screamed.

Oh! how many were the times we moaned, "When will this Annual be done?"

RICK HORTON

This Annual is in memory of Rick Horton who was a member of the Class of 1967.

VARSITY BASKETBALL

AN INDIAN SEASON

by Joe Conklin, *Smoke Signals* Sports Editor

Tecumseh High School had two different varsity basketball teams this season.

One team was an outstanding representative: They shot and rebounded well and most of all their teamwork was excellent.

The other team was very average. Their shooting was off, their passes didn't click and their teamwork was poor.

The Indians started fast, winning their first four games. They then entered the ABHT tournament as the favorite. They met archrival Adrian in the opener. The Maples were sky high for the game and came away with a 73–65 win. Charlie Thomas set an ABHT scoring record bz netting 37. Tecumseh bombed Hudson in the consolation game to take third place.

After the tourney the Indians set their sights on the Huron League title. They played well against their next two opponents, Grosse Ile and Airport, but dropped both by one point margins.

A rematch with Adrian was next for Tecumseh and they were determined not to repeat their ABHT loss to the Maples. They played a fine all around game and took a 66–57 decision.

The season was now half over and the Indians sported a 6–3 record.

Blissfield was Tecumseh's next opponent in a must game for both teams. The Indians played an excellent game and came away with a 62–61 victory.

The following week the Indians played their worst game of the season. They invaded Flat Rock with high hopes of moving up in the standings. The Rams also nourished the same thought and emerged from the game on top 73–54. All title hopes for the Indians were now gone.

The last month of the season was typical of the Indians play. They would play an excellent game one weekend but a completely different one the next.

District tournaments were next for Tecumseh and they started out on the right foot. They completely dominated Ypsi-Lincoln in their opening game as every player scored in a 86–48 victory.

They met Blissfield in the title game and played quite well. They were behind most of the game but kept fighting back. The score was tied at the end of three quarters, but in the fourth the Indians ran out of gas and had to settle for second place in the tourney and an 11–7 record.

Baseball and track are Tecumseh's spring sports. Although they do not draw the attendance that fall and winter sports do, they offer all the thrill and competition that the others do. The echoes of a crack of a bat and the gasping breath of a miler are both vital to THS's sports development.

The Tecumseh Fan need not be disappointed when he looks at the above scores for this was the first season for the Tecumseh Cross Country Team. Further, our course is considered to be "really tough" so those members back next year have had a year of excellent preparation. As a matter of fact, we believe that our most promising beginning will eventually lead us to a great future in the newest Varsity Sport offered at T.H.S.

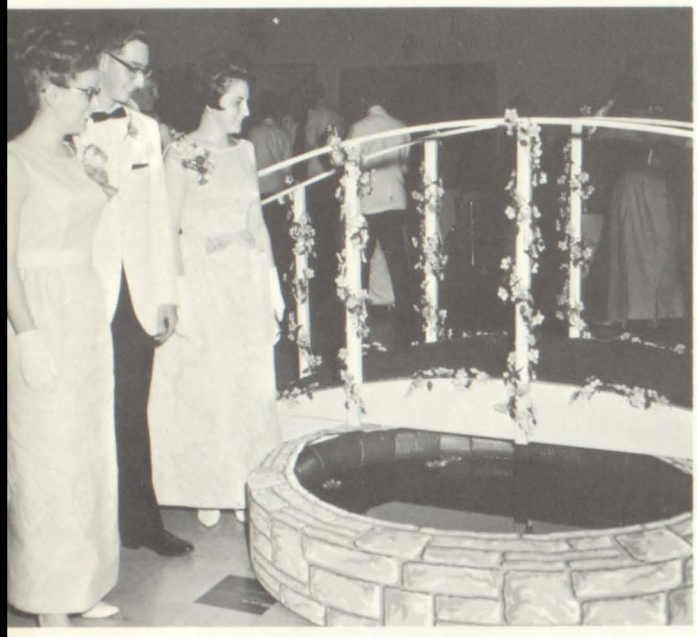
SAYONARA



What more appropriate way for Juniors to bid farewell to Seniors than with the word, "Sayanora."

The Pearl of the Orient for one magical evening was located at the Tecumseh Country Club.

No Japanese Empress was ever lovelier than the Senior Queen, Elena Leathers. Her escort, Ron Forsyth, was at his princely best. The royal court comprised of Dean Hebb and Kathy Hall, Gordon Gibson and Janice Linger, Cindy Feight and Mark Blatchford, Cindy Calhoun and Scott Edwards, added the final touch of majesty.

Entrance into the mythical Japan was made over an oriental bridge. And at evening's end, we crossed over this bridge again and said, "Sayanora."

What could be finer for a sun-filled, blue-skyed, May Day than a picnic?

And what a picnic! The moment the coach bringing the gang from Tecumseh High hit Frontier City the action began. So many energy filled Junior and Senior cowboys and girls, outfitted in shorts, sneakers, and water pistols, headed for the old "chute run" that a modern day traffic jam resulted. For those who preferred getting jostled and jarred in a different manner there was the stage for a quick roundtrip of the territory.

As the day progressed, a myriad of light, gay (mischievous), voices were heard in choruses of:

"PLAY BALL!"

"Watch Centa pass."

"I'm hungry."

"Food's on!"

"Let's throw Raeburn into jail."

"The stocks for Mr. Gutowski when we find him."

Then at two o'clock the officers in charge, Mr. Gordon Gutowski and Mr. Bill Raeburn, with the able assistance of Mr. John Centa, Mr. Larry Crittenden, and Miss Lee Ann Minton, corraled their charges and the whole wild gang was off for parts known-Tecumseh!

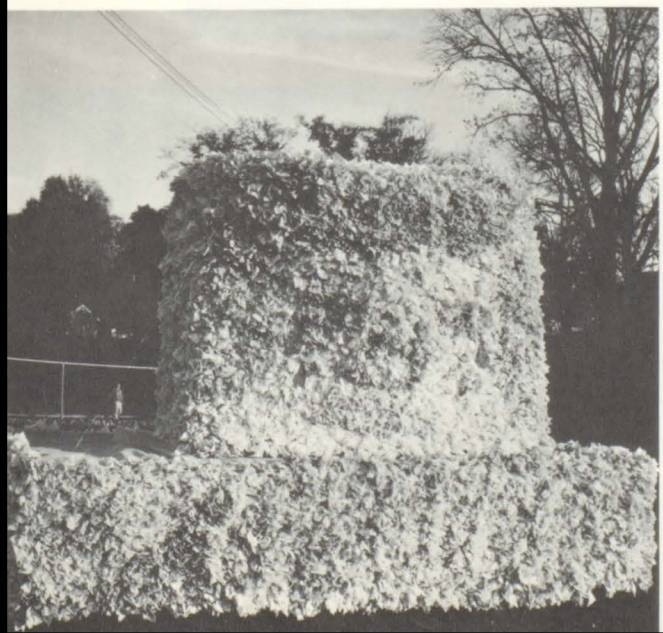
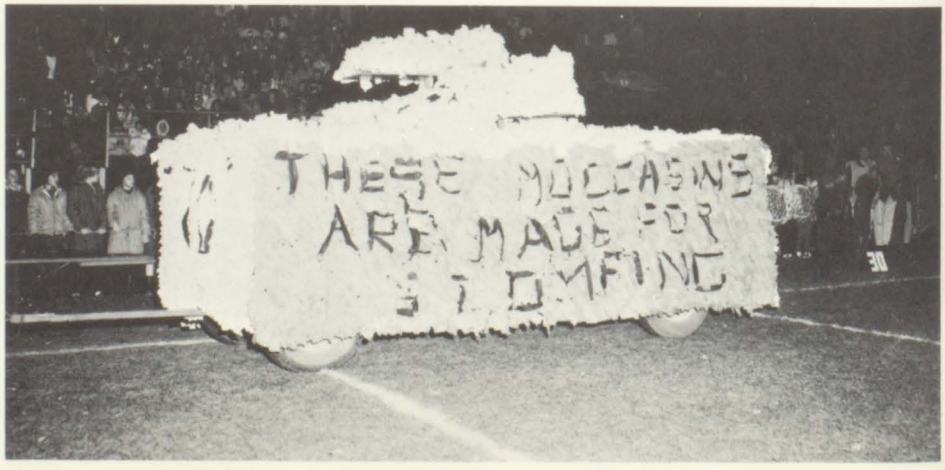
HOMECOMING



At the game and

the dance for

Homecoming 1966.



December 22, 1966 was a wonderful day for we went to the

CHRISTMAS DANCE.

"Sweet Cinderella. Poor, beautiful Cinderella" were heard time and time again amid applause and laughter as the Senior Class presented "The Cinderella Complex," the Cinderella story retold with an ironical twist.

Countless hours were spent by Mr. Renfro, Mrs. Boltz, and cast rehearsing, building risers, and literally transforming Room 38 into "The Little Theater."

The Senior Class presents

"THE CINDERELLA

Everybody is here but the Prince and Cinderella. They must have already departed for their castle.

COMPLEX"

THE ARTS

Nothing sounds more wonderful than creativity at work. Individuals were actively encouraged to develop their talent in Band, Chorus, and Art. Collectively, the Band and Chorus each gave two concerts during the school year. Individually, the Band and Chorus each had members enter solo and ensemble competition on both local and state levels.

The talent and creativity of the Art students was displayed at the Youth-Talent display.

THS would be a sad, dreary place without its young artists and the talent which they share with each student.

JOURNALISM

Putting out a newspaper involved more than just writing stories, as the newly formed *Smoke Signals* staff soon realized. There was make-up, headlining, stenciling, printing, and finally, selling. The echoes of the typewriters, mimeograph machine, and staplers could be heard by anyone who happened to linger in the building *long* past school hours.

DRAFTING

Hammers, saws, drills—all made familiar echoes in the Industrial Arts Department. The purpose of this line of study is to prepare a young man for a job as soon as he leaves high school or for a trade-or-tech school where he may gain more practical knowledge and training.

READING IMPROVEMENT

Reading Improvement, a new course in the Tecumseh High School curriculum, was added in 1966 for the purpose of stimulating interest in reading. One of the added features of this course was the pleasant atmosphere of the classroom, for this room was the only one in the High School which contained both special equipment and carpeting!

T.H.S. rang out with the echoes of hammers, saws and drills this year. All these were part of the work being done on an addition designed expressly for Orthopedic Education. Part of the plan, an elevator, did not get completed, but patience and another year will undoubtedly bring about its completion.

Students from all Lenawee County were bussed to T.H.S. to participate both in special classes and regular classes. The new students to T.H.S. were very enthusiastic about the building, the classes, the students, and the activities.

A MESSAGE FROM THE STAFF

The Staff of the 1967 *Senior Echoes* would like to express their appreciation to the merchants and industries of the Tecumseh area who advertised in this book. Without them publication would have been impossible. We are particularly indebted to the *Tecumseh Herald,* Dixon Studios, Tecumseh Camera Shop, and Bill Whiting for their help with photography.

The Staff would also like to say good-by and good luck to the graduating Seniors and to wish the Underclassmen all the good times and memories that we have had in our years at Tecumseh High School.
